Sir:

In a further response to the Office Action dated May 6, 2003 in connection with the above-identified patent application please consider the following amendments and remarks.

Applicants wish to thank Examiner Devi for taking the time to review the listing of claims with proposed amendments as faxed on September 12, 2003. Furthermore, applicants wish to thank Examiner Devi for discussing the listing of claims and pointing to minor changes that would put the instant application in better format for allowance.

Favorable consideration of the present application and claims in view of the Substitute Sequence Listing submitted herewith is respectfully requested. Early and favorable action by the Examiner is earnestly solicited. No new matter is added by the instant amendment.

Amendments to the Claims are reflected in the listing of claims which begin on page 2 of this paper.

Remarks/Arguments begin on page 7 of this paper.
